

STARLIGHT

TRAMPOLINE & GYMNASTICS CLUB

Now we are in our own facility we no longer need to be governed by school term dates. It has therefore been decided that we will offer our normal evening, weekend and pre-school sessions at Romsey for 8 blocks of 6 weeks making a total of 48 weeks training over a calendar year. Each evening and weekend block will be £27 per session which needs to be paid 1 week in advance to secure your child's place. An evening and weekend session is for 1 hour, therefore if your child attends 2 hours then the fee is £54 and so on dependent on number of hours trained. Pre-school sessions are for three quarters of an hour and will be £21 per 6 week block. Please find listed below the blocks for 2015 & 2016.

We will also be offering day camps during school holidays which will be published each half term before. The next half term during May will have day camps on the Tuesday, Wednesday and Friday. This will be an ideal opportunity for those entering the Trampoline competitions in June to practise. Please complete a form to book your child in.
